

## Impacted by the recent severe weather events?

**If you have been affected by Cyclone Gabrielle or have any other insurance matters as a result of recent weather events, please do not hesitate to contact your Advisor or Aon New Zealand.**

Over the past few days Cyclone Gabrielle has severely impacted cities and towns across New Zealand. High winds and flooding could continue in the days ahead, and States of Emergency may remain in place in affected areas.

We understand that this weather may have severely affected you and your family, and we want to reassure you that we are here to support you. Aon and your insurer have teams on hand to assist you with your claim should you need to make one. You can find contact details as well as important claims information [here](#).

For those in need of urgent emergency repair or accommodation, as well as those who are vulnerable or experiencing significant hardship, claims can be lodged by calling us. We are receiving a large volume of calls however we will respond to you as soon as we can. If calling afterhours, please select to be transferred to your relevant insurer.

Alternatively, claims can be submitted by email with a completed claim form and supporting documentation.

On behalf of Aon New Zealand, our thoughts are with you during this challenging time.
